VI. In By-law 55, Clause (iv) :—

Clause (iv) shall be substituted by the following :—

"The Special Committee shall fix the tendering differences, that is,

(a) premia or discounts for descriptions of cotton tenderable other than basic cotton, and for "class" or "grade";

(b) "On" allowances for various staple lengths as shown in the Hedge Schedule above the staple lengths specified in column (3) of the Hedge Schedule appended to these By-laws;

VII. In By-law 55, Clause (v) :—

The preamble of Clause (v) and the sub-clause (a) shall be substituted by the following :—

(v) The Special Committee and in the case of appeal, the Board shall fix—

(a) The tendering differences between the basic cotton and other tenderable descriptions of cotton on the basis of the differences between the spot rate of the basic cotton and the spot rate of respective descriptions of cotton on the day of fixation of tendering differences at Bombay taking into consideration the spot rates in the interior markets (hereinafter referred to as the spot differences), and by adding to them an amount equal to the difference between the

spot rate of the basic cotton and the Hedge Contract rate of the delivery concerned on the day of fixation of the tendering differences or Rs. 30 whichever is lower, provided that in cases where the spot differences exceed Rs. 100, a sum equal to 10 per cent of the spot difference over Rs. 100 of the description concerned shall be deducted from the amount to be so added to the spot difference of the description concerned subject also to the further condition that the tendering differences calculated in such manner shall not be less than the spot differences on the day of fixation of tendering differences. In cases however where the spot difference exceeds Rs. 350, no amount shall be added and the tendering differences shall be fixed only on the basis of spot differences.

Explanations :—

- (1) In calculating the tendering differences, the minus differences shall be reduced by the amount to be added,
- (2) Sums from 1 nP to 49 nP inclusive shall be ignored, and Sums from 50 nP to 99 nP shall be treated as one Rupee.

Illustration :—

If the spot differences between Moglai Jarilla and Dhollera, between Moglai Jarilla and Khandesh Virnar (197/3), between Moglai Jarilla and Digvijay (A), and between Moglai Jarilla and Cambodia (B) are established by the Special Committee on the day of the fixation of tendering differences as (—) Rs. 20, (+) Rs. 125, (+) Rs. 224 and (+) Rs. 360 respectively per 3 quintals, then,

if the difference between the Hedge Contract rate and the spot rate of the basic cotton is Rs. 30 or above, the tendering differences in the above cases would work out to (+) Rs. 10, (+) Rs. 153, (+) Rs. 242 and (+) Rs. 360 respectively.

or

if the difference between the Hedge Contract rate and the spot rate of the basic cotton is below Rs. 30, say at Rs. 10, the tendering differences in the above cases would work out to (—) Rs. 10 (+) Rs. 133, (+) Rs. 224 and (+) Rs. 360 respectively.

VIII. In By-law 55(v) :—

The following new clause shall be added as clause (d):—
